The management of the Bank is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in Note 2. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in Note 2.

Report on other Legal and Regulatory Requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the books of accounts of the Bank. We further report that, to the best of our knowledge and belief, we have not become aware of any violations of the Companies Law No. 1 of 2016, as amended, and its executive regulations, as amended, or of the Bank's Articles of Association and Memorandum of Incorporation, as amended, during the six months period ended 30 June 2021 that might have had a material effect on the business of the Bank or on its financial position.

We further report that, during the course of our review, to the best of our knowledge and belief, we have not become aware of any violations of the provisions of Law No. 32 of 1968, as amended, concerning currency, the Central Bank of Kuwait and the organisation of banking business, and its related regulations, and Law No.7 of 2010, concerning the Capital Markets Authority, and its related regulations, during the six months period ended 30 June 2021 that might have had a material effect on the business of the Bank or on its financial position.

Boubyan Bank K.S.C.P. ("the Bank") is a Kuwaiti public shareholding company incorporated on 21 September 2004, in accordance with the Commercial Companies Law in the State of Kuwait, by Amiri Decree No. 88 published on April 18th 2004, in accordance with the rules and regulations of the Central Bank of Kuwait ("CBK") (Law No. 30 of 2003).

The Bank's shares were listed on the Kuwait Stock Exchange on 15 May 2006.

The Bank was licensed by the Central Bank of Kuwait to do business on 28 November 2004.

The Bank is principally engaged in providing banking services, in accordance with Codes of the Islamic Sharia'a, as approved by the Bank's Sharia'a Supervisory Board.

This interim condensed consolidated financial information as at and for the six months period ended 30 June 2021 incorporates the financial information of the Bank and its principal operating subsidiaries, BLME Holdings plc, Boubyan Takaful Insurance Company K.S.C. (Closed) and Boubyan Capital Investment Company K.S.C. (Closed), (together referred to as "the Group") and the Group's interests in associates.

The address of the Bank's registered office is P.O. Box 25507, Safat 13116, State of Kuwait.

This interim condensed consolidated financial information was authorised for issue by the Board of Directors on 6 July 2021.

2. SIGNIFICANT ACCOUNTING POLICIES**2.1 Basis of preparation**

- (a) The interim condensed consolidated financial information of the Group has been prepared in accordance with International Accounting Standard (IAS) 34, 'Interim Financial Reporting', as amended for point (b) below:
- (b) The interim condensed consolidated financial information have been prepared in accordance with the regulations for financial services institutions as issued by the Central Bank of Kuwait ("CBK") in the State of Kuwait. These regulations require banks and other financial institutions regulated by CBK to adopt the International Financial Reporting Standards with the following amendments:
 - Expected credit loss ("ECL") to be measured at the higher of ECL on credit facilities computed under IFRS 9 in accordance to the CBK guidelines or the provisions as required by CBK instructions along with its consequent impact on related disclosures; and
 - In the comparative periods, modification losses on financial assets (consumer and other instalment financing and credit cards receivables) arising from payment holidays to customers in response to Covid-19 set out in the CBK circular ref.2/BS/IBS/461/2020 to be recognised in retained earnings instead of consolidated statement of profit or loss as required by IFRS 9.

The above framework is herein after referred to as 'IFRS as adopted by CBK for use by the State of Kuwait'.

The interim condensed consolidated financial information does not contain all information and disclosures required for full financial statements prepared in accordance with IFRS, and should be read in conjunction with the Group's annual consolidated financial statements for the year ended 31 December 2020. Further, results for the six months period ended 30 June 2021, are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2021.

Certain prior period amounts have been reclassified in order to conform to the current period presentation. Such reclassifications do not affect previously reported assets, liabilities, equity and profit for the period.

The accounting policies used in the preparation of this interim condensed consolidated financial information are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2020 except for the adoption of new standards effective as of 1 January 2021 as noted below.

2.2 New standards, interpretations and amendments adopted by the Group

Profit Rate Benchmark Reform – Phase 2: Amendments to IFRS 9, IAS 39, IFRS 7, IFRS 4 and IFRS 16

The amendments provide temporary reliefs which address the financial reporting effects when an interbank offered rate (IBOR) is replaced with an alternative nearly risk-free profit rate (RFR).

The amendments include the following practical expedients:

- A practical expedient to require contractual changes, or changes to cash flows that are directly required by the reform, to be treated as changes to a profit rate, equivalent to a movement in a market rates.
- Permit changes required by IBOR reform to be made to hedge designations and hedge documentation without the hedging relationship being discontinued

These amendments had no impact on the interim condensed consolidated financial information of the Group. The Group intends to use the practical expedients in future periods if they become applicable.

15. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in orderly transactions between market participants at the measurement date. Fair values are obtained from quoted market prices, discounted cash flow models or other models as appropriate.

Fair value hierarchy

The table below analyses financial instruments measured at fair value by valuation method. The different levels have been defined as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: input other than quoted prices included within Level 1 that are observable, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs that are not based on observable market data (unobservable inputs).

18. IMPACT OF COVID-19 PANDEMIC

The COVID-19 pandemic spread rapidly across global geographies causing significant disruption to business and economic activities and bringing unprecedented uncertainty to the global economic environment. Fiscal and monetary authorities worldwide have launched extensive responses designed to mitigate the severe consequences of the pandemic.

Covid-19 support measures

In 2020, Central Bank of Kuwait (CBK) implemented various measures targeted at reinforcing the banking sectors ability to play a vital role in the economy. Those measures are disclosed in the Group’s annual consolidated financial statements for the year ended 31 December 2020.

2021 consumer and other instalments loans deferral scheme

Kuwait banks announced postponement of payment of consumer and instalment loans to eligible customer, upon request, in accordance with the CBK circular No. 2/BS/IBS/IS/IIS/FS/476/2021 dated 18 April 2021 concerning the implementing provisions of Article No. (2) of Law No. (3) of 2021 (“the Law”) regarding the deferral of the financial obligations for a six-month period with cancellation of interest and profits resulting from this deferral (“the 2021 scheme”). The cost of the instalment deferrals are fully borne by the Government of Kuwait in accordance with the Law.

The Group implemented the 2021 scheme by postponing the instalments for a six-month period from the customer request date with the corresponding extension of the facility tenure. The instalment deferral resulted in a loss to the Group arising from the modification of contractual cash-flows, provisionally estimated at **KD 51,802** thousand in accordance with IFRS 9. This loss was offset by an equivalent amount receivable from Government of Kuwait as Government Grant in accordance with the Law. The Group has recorded the Government grant income by setting it off against the modification loss from the 2021 scheme. The Government grant receivable is included in other assets in the interim condensed consolidated statement of financial position.

For the period from 1 January 2021 to 30 June 2021

18. IMPACT OF COVID-19 PANDEMIC (continued)

Expected Credit Loss (ECL) estimates

The Group considered the potential impact of the uncertainties caused by the Covid-19 pandemic together with the associated economic support and relief measures of governments and central banks in its estimation of ECL requirements for the period ended 30 June 2021, making adjustments to macroeconomic variables as appropriate. The Group has also given specific consideration to the impact of COVID-19 on the relevant qualitative and quantitative factors when determining any significant increase in credit risk (SICR) and in assessing indicators of impairment for exposures to potentially affected sectors.

Notwithstanding the above, the ECL requirement for credit facilities estimated as at 30 June 2021 continues to be lower than the provisions required as per CBK instructions. Accordingly, in accordance with Group accounting policy, the higher amount, being the provision required as per CBK instructions, is therefore recognized as the provision requirement for credit losses on credit facilities.

Other impacts

The Group considered the potential impact of the current economic volatility on the reported amounts of the Group's financial and non-financial assets. The reported amounts best represent management's assessment based on observable information. Markets however remain volatile and asset carrying values remain sensitive to market fluctuations. The impact of the highly uncertain economic environment remains judgmental and the Group will accordingly continue to reassess its position and the related impact on a regular basis.
